**PHARMAVIGILANT TO SPONSOR AND EXHIBIT AT CBI's PHARMA/BIO BOOT CAMP ON
ELECTRONIC TRIAL MASTER FILES (eTMFs)**

MAY 19-20, 2011

PHILADELPHIA, PA

WESTBOROUGH, MASS., May 18, 2011—[PharmaVigilant](http://www.pharmavigilant.com), a clinical trial technology provider, is a proud sponsor and exhibitor at the upcoming [Pharma/Bio Boot Camp on Electronic Trial Master Files \(eTMFs\)](#) May 19-20, 2011 in Philadelphia, PA.

CBI's Pharma/Bio Boot Camp on eTMFs is the only two-day conference dedicated to electronic trial master files, providing organizations with the necessary tools to begin and continue the transition to eTMF. PharmaVigilant's exhibit will showcase their I-Vault eTMF system, an industry leading system for the management of electronic Trial Master Files. It takes significantly fewer site staff members to upload or scan their regulatory documents into PharmaVigilant's I-Vault, reducing overhead costs. Additionally, documents can be reviewed, expiration dates checked, and missing documents identified immediately to ensure efficiency and compliance with Good Clinical Practice. Please visit PharmaVigilant's booth in the Liberty Foyer at the Crowne Plaza Hotel for more information.

ABOUT PHARMAVIGILANT

Based in Westborough, Mass., PharmaVigilant is a SaaS company founded in 2005 to provide broader technologies to streamline the clinical trial process for biopharmaceutical companies. Its full suite of patient-based technology automates the collection, management and analysis of clinical trial data and most importantly puts that data in the sponsors' hands when and how they want it. Sponsors rely on PharmaVigilant to ease the regulatory and FDA submission and approval process and ultimately go-to market more quickly with top quality drugs. For more information, visit www.pharmavigilant.com.
